

VALANCE GUIDE

EVERY product on our website is available in EVERY fabric!

Bradford

Bradford Valance

2-layer lined valance with different fabric on the top layer and the bottom layer. Each layer is scalloped. 3" rod pocket and 2" header; 1/2" bias binding at the bottom edge. Combine 2 different fabrics for the layers OR select the same fabric for both—the choice is yours!

52" wide x 17" long

Empress

Empress Valance

2-piece lined valance. 28" long on the sides and 17" long in the middle; 3" rod pocket and 2" header; 1/2" bias binding at the bottom edge. Can be paired with a scallop valance for extra wide windows.

74" wide x 28" long at the sides

Scallop

Scallop Valance

Like the tailored but scalloped bottom edge. 3" rod pocket and 2" header; 1/2" bias binding at the bottom edge.

52" wide x 17" long

Tailored

Tailored Valance

A simple rod pocket valance to dress up any window. Straight across the bottom with no binding. 3" rod pocket and 2" header. Our tailored valance has a 3" hem.

52" wide x 17" long

Tie-up

Tie-up Valance

Ties are usually in a different fabric. The ties are not attached to the valance so the knots can be positioned anywhere. 3" rod pocket with no header.

52" wide x 24" long
